

### **Health and Safety Policy**

At Riverside Nursery Schools, we take full responsibilities and procedures in respect of health and safety which are contained in this policy.

Riverside Nursery Schools will ensure the health, safety and welfare of all staff, children, visitors and other individuals who attend, work at or visit the premises.

Riverside Nursery Schools will at all times comply with The Health and Safety at Work Act 1974 and the Workplace (Health, Safety and Welfare) Regulations 1992 and their associated Approved Code of Practice (ACOP) and guidance will be complied with at all times.

The following steps will be followed:

- Create an environment that is safe and without risk to health.
- Prevent accidents and cases of work-related ill health.
- Use, maintain and store equipment safely.
- Ensure that all staff are competent in the work in which they are engaged.

The manager shall be responsible for the day to day implementation, management and monitoring of the health and safety policy. A Health and Safety Poster shall be displayed in the nursery and staff must be made fully aware of their health and safety responsibilities. Riverside Nursery Schools shall conduct a risk assessment and review it regularly, at least once a year or more frequently where the need arises. The risk assessment is to identify high, medium, and low risks to adults and children. The risk assessment will identify aspects of the environment that need to be checked on a regular basis. Riverside Nursery Schools shall maintain a record of these particular aspects and when and by whom they have been checked. We will determine the regularity of these checks according to their assessment of the significance of individual risks. All reasonable steps are taken to ensure that hazards to children both indoors and outdoors are kept to a minimum. The risk assessment should cover anything with which a child may come into contact.

The manager is responsible for:

- Carrying out regular safety checks and accurately logging reports

- Taking any action required as a result of a health and safety inspection is taken as rapidly as possible
- Distributing information received on health and safety matters to all members of staff (including volunteers/students)
- Adequately training staff to fulfil their role within the Health and Safety policy
- Ensuring that there are adequate First Aid arrangements including a qualified first aider/s Role of Staff All Staff and any volunteers are responsible for ensuring that the provisions of the Health and Safety policy are adhered to at all times.

As such, they are required to:

- Have regard for any health and safety guidance issued by the manager or the designated member of staff, and act upon it whenever appropriate
- Take reasonable care for their own health and safety as well as that of other persons who may be affected by their acts or omissions at work
- Take all reasonable care to see that the equipment and premises that are used by children, and the activities that are carried out on the premises, are safe
- Report any accidents, incidents or dangerous occurrences that have led to, or may in the future be likely to lead to, injury or damage, and assist in the investigation of any such events
- Undergo relevant health and safety training when instructed to do so by the manager
- Inform parent/carers of safety issues for example, through discussion, leaflets, brochures, newsletters, notice boards etc
- Increase children's awareness of safety issues. For example through discussion, planned activities, routines etc Both the manager and Health and Safety Officer are responsible for assessing risks to health and safety arising out of Riverside Nursery Schools activities and introducing suitable steps to eliminate or control any such risk identified. The manager and health and safety officer is responsible for ensuring that staff both understand and accept their responsibilities in relation to health and safety procedures.
